
Nothing is more important than books . . . except the people who use them. That's why a contribution to the Stockton-San Joaquin County Public Library's BUY-A-BOOK-FOR-YOUR-LIBRARY fund drive is more than just a tax-deductible donation. It's a gift to the people in your community who rely on the public library for education and information. Please help them by giving what you can. Send your tax-deductible donation to:

LIBRARY BOOK FUND
Stockton Friends of the Library
605 N. El Dorado Street
Stockton, CA 95202

or . . . leave a check at your public library.
You will be helping your community.

KNOWLEDGE IS NOT A LUXURY.
Neither is inspiration, self-improvement or understanding.
Neither are the books that ought to be on the shelves of the Stockton-San Joaquin County Public Library.

That's why the money you contribute to the Library will not be spent on frills. Every cent will be used to purchase new books - books that will be available to the children who broaden their dreams through reading, and to the adults who read to learn more about themselves and their world.

I want to help Increase the Number of Books on the Shelves of my Library. Enclosed is my contribution to The Friends of the Stockton-San Joaquin County Public Library's Buy-A-Book-For-Your-Library campaign today.
